MAY 2024

In May we have been busy developing our newsletter which will be posted every month to celebrate achievements and share news.

## SPOTLIGHT

Staff attended training this month with the Makaton Charity. Staff achieved Level 1 in Makaton which will help improve their communication with people we support who use Makaton.

## HIGHLIGHT OF THE MONTH

by Kerida Hopwood

This month ALD hosted our third parent meet up. The evening was filled with insightful discussions among parents who share the common goal of supporting their loved ones.

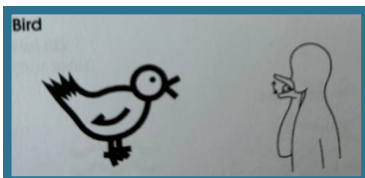

The event was a fantastic opportunity for parents and family members to come together, share experiences and build a supportive community.

The meet up concluded an overwhelming response of positivity, with many expressing gratitude for the sense of community and the valuable information gained.

We extend our heartfelt thanks to everyone who attended and contributed to the success of the meet-up. Your participation and engagements are what makes these events meaningful and impactful.
