JUNE 2024

This month the people we support have been enjoying themselves on trips away, enjoying the sunshine and we hosted the first ALD meet up in Richmond Park!

## BUTLINS TRIP

David was supported to go to Butlins this month.

David enjoyed playing crazy golf, going out for meals and spending time with family and friends!

## HIGHLIGHT OF THE MONTH

by Abasse

This month we had ALD's very successful exciting summer meet up. Over 80 people attended in total. The day was filled with joy, happiness, laughter, games, food, drinks and lovely sunshine.

Thank you everyone for your attendance. We are looking forward to the next event!

## DORSET TRIP

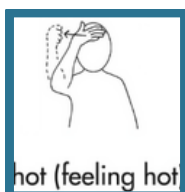

by Sadib

We are thrilled to share a heart warming story of Anna's successful holiday to Dorset. I have been working with Anna as her support worker since 2021. When I first started working with Anna she was not interested in going outside of her room. Anna has learnt to trust her team and find her confidence which was achieved by working closely with Anna and her family.

Her recent holiday is a standout experience, it is the first time she has gone away without her parents.

Anna enjoyed walking on the sand, shell collecting and castle building. We celebrate Anna's achievements and commit to providing person-centred opportunities for all the people we support!

## MAKATON SIGN OF THE MONTH

We have had lots of sunshine this month and it has been very hot at times, so our sign of the month is **hot!**
