

ALD MONTHLY NEWSLETTER

AUGUST 2024

This month the people we support have been celebrating birthdays, engaging in new hobbies and having BBQ's!

BBQ TIME

This month we made the best of the sunny days and had a BBQ for the people we support and their families.

ACHIEVING GOALS

by Sangeeta

Julia has been supported to visit Guildford with staff and her family.

She has made so much progress and will now go to the food court, wait in front of the screen to order the food and collect her McDonald's.

This is a big achievement for Julia and it gives staff a lot of motivation to continue to support Julia for her to achieve more goals. Well done Julia!

BIRTHDAYS

This month we celebrated Sophie and Jay's birthday.

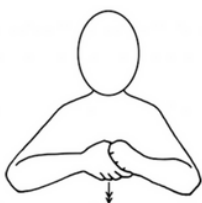

Happy birthday to Sophie and Jay!

Sophie celebrated her birthday at home with a visit from her parents, it was a big achievement for Sophie to join in her celebration and cut the cake!

Jay organised for himself and staff to have a birthday meal out at The Harvester.

NEW HOBBIES

Storm has been enjoying a new hobby - fishing!

She has been enjoying going to the local lake and catching fish.
