

ALD MONTHLY NEWSLETTER

JULY 2024

This month the people we support have been continuing to enjoy the sunshine, watching football and more trips away!

VOTING

Francesca was supported to vote for the General Election this month.

This is a great example that the people we support are entitled to vote and have a choice of government.

WATCHING THE EURO'S

by Rachel

This month we watched England get to the final of the Euro's 2024.

The people we support and staff got into the spirit to cheer on England! Even though we lost to Spain we all still celebrated getting to the final.

TRIP TO DORSET

by Gaurav

This month Mollie went away to Dorset!

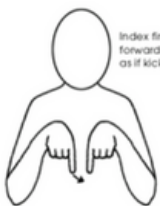

Mollie had a great time on her holiday. She appeared to love the house which we booked on Airbnb, especially the hot tub which made her feel happy and relaxed.

We visited Durdle Door where Mollie enjoyed the beautiful sea view and hearing the sounds of the wave, it was a sensory experience she seemed to love.

It was a trip full of joy for her and we enjoyed to support her and see her happiness
