

# ALD MONTHLY NEWSLETTER

OCTOBER 2024

The highlight of the month was having our first ALD party! We got into the Halloween theme by having a disco and dressing up!

## PARENT MEET UP

We hosted a parent meet up in our new office, thank you to all those who attended! We appreciate your feedback - especially in regards to location, times and dates to help us plan the next meet up.

## TRAINING AND WORKSHOPS

This month staff attended training with Hopeful Futures focusing on Autism, Learning Disability and an introduction to PBS. Jay was also present for some of the training and he talked about what it is like to have Autism and a Learning Disability.

Jacob (PBS Lead) and Rachel (Quality Director) have been running workshops around positive behaviour support, physical health and the use of PRN.

## HALLOWEEN!

This month we hosted a Halloween party for the people we support.

It was amazing to see the people we support come together, enjoying the music and food!

We had good feedback and hope to organise more of these events in the future.

Thank you everyone who came!
